

**ST. CHARLES COUNTY DETENTION FACILITY
INMATE HEALTH PROGRESS NOTES**

DATE	TIME	PROBLEM	SUBJECTIVE AND OBJECTIVE DATA, ASSESSMENT & PLAN
7-22-17	1930	Pt was seen by nurse pacing in cell and sticking fingers down throat and then gagging and spitting into toilet. Instructed pt to not put fingers in mouth he would pull his hand out of mouth and then a few seconds later put fingers back into mouth and down throat. Each time he was instructed to stop putting fingers in mouth he would remove his hand but then repeat the cycle. It was decided to place pt in restraint chair to prevent him from further harm. Pt complied w/o incident while being placed in restraint chair. L eye is leaking serous ^{corro} serous ^{corro} serous sanguineous fluid. Offered pt fluids he drank full 8oz cup of gatorade w/o difficulty. Restraints checked and pt calm. <i>Therapist R</i>	
7-22-17	200	Received order from Dr Battulla. Took medication down to pt and offered it to pt. Pt agreed to the injection and took PO meals w/o incident. Pt then looked directly at nurse and stated "I want to die". When asked why he feels this way pt states "because that is the thing to do and now is the time". When asked if he has anything to look forward pt responded "yes to die." Pt is calm and cooperative at this time. <i>Therapist R</i>	
7-22-17	2045	Pt removed from restraint chair. Given PO fluids and oral medications. Pt is following orders and compliant. Pt states to nurse "Can I die now?" Nurse answered to pt that he is not going to die and that he is going to get help and he states he still wants to die. <i>Therapist R</i>	
7-22-17	2128	Left facility via CPO to SJHC-ER on official report for psych eval. <i>Therapist R</i>
